## *Understanding The Universal Law Of Attraction*

Outside of the 18 Spiritual/Universal Laws that are listed there are two things that you must bear in mind when using **The Laws of Attraction:**

- *We are continuously making laws for ourselves with our thoughts, words and actions. Be vigilant regarding your thoughts as they will create your world.*
- *The blue print of your life, and by that, I mean, what you are here for – your purpose, can impact the results or the outcome of your requested desires.*

### **THE 18 LAWS OF ATTRACTION ARE YOUR SPIRITUAL CURRENCY THAT YOU TRADE FOR WHAT YOU WANT TO EXPERIENCE IN LIFE.**

1. **The Law of Choice or the Law of Free Will.** This is a binding and irrevocable contract with the universe that initiates all that we do in life. The contract is simple; whatever we do or don't do - is a choice. The contractual agreement states: "We are bound by ownership, responsibility and accountability for all that we do and don't do."
2. **The Law of Command:** This is when you consciously choose to use the spoken word to invoke the law of action, divine flow, magnetism and imagination.
3. **The Law of Action.** Only action brings your request to life. Anything else is knowledge. Knowledge without action is just that...knowledge.
4. **The Law of Return:** This law speaks of the reaction that is initiated as a part of the law of action. Whenever an action is taken...even that action of taking no action, there is a reaction.
5. **The Law of Desire:** This law speaks to the intrinsic driving need for satisfaction and as a result will overshadow any other Universal Law, except the Universal Law of Choice. Desire invokes your Divine right to supreme free will, enabling you to make a choice, despite counter intuitive circumstances surrounding the situation, that indicate your choice may not be in the best interest of self.
6. **The Law of Consciousness:** As our internally and externally consciousness expands, our awareness of opportunities and possibilities become cognizant.
7. **The Law of Divine Flow:** By living in the moment, living in the now, we are centered. We are open to what the universe has to offers; we live in the divine flow.

## *Understanding The Universal Law Of Attraction*

8. **The Law of Forgiveness:** The Law of Forgiveness invokes within you the ability to release perceived hurts and injustices allowing self and all others the **freedom** of “authentic expression.” It creates space for new manifestations to come into form. The power to forgive allows you to embrace the divine as it flows through self and all others.
9. **The Law of Love:** Is the law of transmutation. The vibration of this energy can change all things. By simply seeing the divine in all situation and all living things.
10. **The Law of Magnetism:** This law unifies with **intention** our essence or energy with the essence or energy of that which we are wanting to attract.
11. **The Law of Manifestation:** This law makes that which we have magnetized tangible and or physical in form. The unformed takes on form...in short, it manifests.
12. **The Law of Discipline:** Provides the focus and commitment to achieve the skill level and depth of knowledge needed to forge forward to our goals. It established a solid bridge between here and arriving at our desired destination.
13. **The Law of Honesty or the Law of Truth:** This law invokes recognizing, accepting and expressing our authentic interior. Who...we...really...are not who we think people want us to be.
14. **The Law of Belief:** This law invokes within you a knowing that your intrinsic truth is right for you, even in the face of what external factors may be showing you.
15. **The Law of Faith:** The Law of Faith invokes within you an unshakable and unbreakable confidence in the fulfillment of your desired outcome.
16. **The law of imagination:** Allows us to use the conscious and unconscious mind in a free-flowing harmonic way, to perceive, then conceive what it is that we want to manifest in life.
17. **The Law of Balance:** Allow no one to tell you what your journey must reflect or what your reality is. When we allow our wishes and desires to be tainted by the thoughts and feelings of others, then we give our power of attraction away. Nobody knows what your spiritual journey must encompass, nor the divine design of it’s or how it should be completed by you.
18. **The Law of Attraction:** The law of attraction is a binding force. The function of this law is to bind or pull together other laws, that create an intentional stream of consciousness, that draws to you, that which you have chosen to experience in your life.
